

Dear Lunar Fund, LLC Investors,

Please allow this communication to serve as an update regarding your investment in Lunar Fund, LLC (“Lunar” and/or “the Fund”) by HEX Management, LLC (“Management”). Lunar was established in August of 2021 to offer accredited investors the opportunity to invest in four blockchain-based revenue streams. To refresh, Lunar focuses upon (1) staking protocols; (2) liquidity positions; (3) LP rewards; and (4) token releases.

These investment strategies produced a net gain of \$141,743 for the period ending Dec 31st, 2023, with an ROI of 64.27%. Lunar began Q4, 2023 with assets totaling \$220,534 and ended Q4 with assets totaling \$362,277.

In addition, since the entire portfolio is held on-chain, we have taken the decision to make the public address of the fund available to all investors so that you can track the portfolio in real time. [Please click here to monitor the Lunar Fund portfolio.](#)

Management is grateful for your continued support. If you have any questions regarding the Fund or your individual investment, please do not hesitate to contact us.

Best regards,
